

CITY OF KENNESAW - 2016 SPLOST PROJECT LIST

TIER 1		
Sardis Street Overpass	Construct a new overpass over the CSX Railroad, realign Whitfield Place road from Main Street to Moon Station Road and connect to the Sardis Street Extension project. Right-of-way purchase and coordination with CSX Railroad will be required. The total project length would be approximately 1,658 feet. Project further encompasses closing the railroad crossing at Main and Cherokee Street. Project conforms to the City's Downtown/Depot Master Plan and Cobb County Comprehensive & Major Thoroughfare Plans. Project involves transforming the Depot area into a "pedestrian friendly zone" with access to the Southern Museum and other community events held at the Depot.	\$6,000,000
Infrastructure Preservation	Stormwater Infrastructure Upgrades Citywide	\$3,000,000
Ben King Road Improvements	Improvements focus on reducing congestion and safety considerations from Cherokee St. to McCollum	\$3,133,431
Sardis Street Extension Project	Project will maximize transportation system performance, improve traffic congestion and compliment redevelopment of the downtown area. Construct new road from Main Street that intersects with Cherokee Street, Shirley Drive and overpass to Moon Station Road. A bypass will also be built between the extension at Shirley Drive to N. Cherokee Street just south of Ben King to reduce the impact on the Cherokee Street Historical District.	\$2,500,000
Property Acquisition	Purchase various properties to support economic development, Parks and Smith Gilbert Gardens	\$3,000,000
Park Improvements	Recreation Center \$4.6 million; Splash pad \$400,000, Amphitheater improvementd; dog park upgrades; playground synthetic surface; shade structures and other facilities improvements.	\$1,790,000
Dallas/Watts Drive Improvements	Project includes road improvements from Main Street along Dallas and Watts Drive to Cobb Parkway. Includes a roundabout at the intersection of Watts & Dallas, street parking, and drainage improvements. This project would be a gate way to downtown Kennesaw. The project also consists of street scape center median islands, landscaping and street light improvements.	\$2,619,072
Facility Improvements	Facility energy updates; facillty security; elevator for Public Works building	\$1,200,000
Economic Development	Depot Park Master Plan - amphitheater; move CSX RR tracks; plaza, parking improvements	\$1,500,000
Smith Gilbert Garden	Complete 2011 SPLOST Tier Two Projects	\$750,000
Resurfacing and Sidewalks	Resurfacing of various streets and sidewalk repairs	\$698,867
Police Department	Vehicles Public Safety	\$125,000
	City of Kennesaw Projects Estimated Total Cost	\$26,316,370
Joint City/County Projects		
Cherokee Auxiliary Lane Addition & Traffic Signal at Home Depot & Shops of Shiloh	Extend right lane on Cherokee between Jiles and I-75 ramp; tie into existing lane constructed as part of Jiles Road project. Install traffic signal on Cherokee Street, between Jiles Road and Shiloh at intersection of Home Depot & Shops of Shiloh. (City/County to split cost)	\$2,402,127
Mack Dobbs Rd. Improvements	Curb, gutters, drain culvert, stormwater drainage and sewer upgrade. (County to provide \$1,000,000 funding)	\$2,284,394
McCollum/Ben King Roundabout.	Construct roundabout at intersection of McCollum and Ben King. (County to provide \$1,400,000 funding)	\$600,000
	Joint City/County Projects Estimated Total Cost	\$5,286,521
	City of Kennesaw Estimated Total Cost	\$31,602,891
