**ADD NOTES.** Ok, I meet with Ms. Graham on Thursday as planned. We discussed Earth Day Project. She had reached out to a couple of the Parks people. She stated that it was not anything to do in the Parks. The only place that needed volunteers was Smith Gilbert Garden. Volunteers could call them and see what the hours are and work them wanted done. Ms. Graham did say that in your neighborhood or community you could pick up trash, do a community clean up and send it in to her. Or, if you know someone that is interested, she would send you a form to register your cleanup.
