

Dear Property Owner:

RE: Flood Study Survey for City of Kennesaw

As a Cooperating Technical Partner (CTP) of the Federal Emergency Management Agency (FEMA), Georgia Department of Natural Resources (DNR) – Environmental Protection Division (EPD) is currently performing Flood Insurance Study (FIS) and Flood Insurance Rate Map (FIRM) updates for your community. As part of the collaborative effort between the DNR and local communities within project area, the State’s mapping contractor for this area – Dewberry Consulting LLC, will conduct surveys for flood studies for a variety of streams within your community. This work will be done with a minimum of inconvenience to you, and is permitted by and in accordance with Georgia Law Title O.C.G.A. § 12-2-4, which states:

“The department shall make such examination, survey, and mapping of the geology, mineralogy, and topography of the state, including their industrial and economic utilization, as it may consider necessary.”

Thank you for your cooperation in allowing survey crews on your property and your assistance with this important project for the City of Kennesaw. If you have questions, please contact Yongqing Yu at Yongqing.Yu@dnr.state.ga.us or via phone at 404-651-8499 or fax at 404-651-8505.

Sincerely,

Tom Shillock, CFM
Floodplain Unit Manger
