CITY OF KENNESAW 2005 & 2011 SPLOST  
OVERSIGHT COMMITTEE REPORT  
**TRANSPORTATION**

**COMPLETED PROJECTS**

***Cherokee Street / McCollum Parkway Intersection Improvement***

- **Scope:** Project involves intersection improvements at Cherokee Street and McCollum Blvd.; extending the existing four lanes on Cherokee Street approximately 4,000 feet south to coincide with development of the new student housing unit and signaling the intersection.

***Jiles Road Improvements – Cherokee Street to Cobb Parkway (City/County Project)***

- **Scope:** Three Phase Project that included road widening, stormwater upgrades, and intersection improvements. Phase I – Cherokee Street to Moon Station Road; Phase II – Bridge over CSX Railroad to Moon Station Road; Phase III – Moon Station to Cobb Parkway

***Kennesaw Due West @ US 41 Intersection Improvement***

- **Scope:** Extend right & left turn stacking lanes; extend driving lanes, upgrade signal.

***Old Highway 41 & Barrett Parkway Intersection Improvement***

- **Scope:** Widen to 6 lanes divided; 10 ft. trail, 5ft. sidewalks, turn lanes and traffic signal.

***Resurfacing***

**Scope:** Resurfaced various roads throughout the city (7 miles)

CITY OF KENNESAW 2005 & 2011 SPLOST  
OVERSIGHT COMMITTEE REPORT  
**TRANSPORTATION**

**ACTIVE PROJECTS**

***Cherokee Street Road Improvement***

Scope: Project includes widening the road to three (3) lanes, intersection improvements, and adding curb, gutter and sidewalks. The project will also include right-of-way purchase.

Project Schedule: Currently in the design phase.

Design Consultant: Croy Engineering

Project Budget:       \$6,459,134  
                              (1,048,607)   Preliminary road work plan and survey  
                              \$5,410,527   Balance

***Cobb International Boulevard***

Scope: Upgrade road to industrial standards

Project Schedule:

Project Budget: \$1,500,000  
                              (27,353)   Cobb International Resurfacing  
                              \$1,472,647   Balance

***Old Highway 41 – Cobb Parkway to Barrett Parkway***

Scope: Widening road, make drainage improvements and install traffic signal at Stanley Road.

Project Schedule: Roadway plan is complete for Old Hwy. 41 and Stanley Road intersection. Right-of-way acquisition is currently underway. (Project ties to Cobb DOT intersection improvement project on Barrett Pkwy.)

Project Budget:       \$2,576,277  
                              195,000   Bonds  
                              (475,303)   Design, ROW purchase  
                              \$2,295,974   Balance

**TRANSPORTATION**

***Pine Mountain Road from Cobb Parkway to Ellis Road***

Scope: Provide safety and operational improvements along the entire corridor of Pine Mountain Road (1.5 miles) as well as to improve the intersection of Shillings Road with Pine Mountain Road and make safety improvement to Ellis Road. Pine Mountain Road will be widened to three 12-ft. lanes, sidewalks will be added to both sides of the road, and retaining walls will be constructed to minimize right-of-way impacts. Ellis Road will have some safety improvements where it ties to Pine Mountain Road. Right turn lanes will be added to the intersections with Pine Mountain Way and Cobb Parkway. The project will end at Cobb Parkway. Project will tie to Cobb Department of Transportation project that will extend the improvements to Stilesboro Road.

Project Schedule: Right of Way Acquisition Underway

Design consultant: American Engineers Inc. (AEI)

Project Budget:	\$6,792,254	
	130,000	Bond
	<u>(881,998)</u>	Design, ROW Acquisition
	\$6,040,256	Balance

***Pine Mountain Court & Cobb Parkway***

Scope: Add right/left turn lanes; storm drain improvements, adjust sidewalks, curb & gutter.

Project Schedule: Final design and ROW purchases complete. Construction will be done in conjunction with the Pine Mountain Road Project.

Project Budget:	\$200,000	
	58,800	Bond
	<u>(12,285)</u>	Design; ROW Acquisition
	\$246,515	Balance

***Resurfacing***

Scope: Resurfaced various roads throughout the city

Project Budget:	\$862,094	
	<u>(628,731)</u>	Resurfacing
	\$233,363	Balance

## **TRANSPORTATION**

### ***Rutledge Road & North Main Street Project***

Scope: Project is being done in two Phases. Phase I: widen N. Main Street/Old Hwy 41 to the city limits, add a northbound center median turn lane to Cathey Lane, extend northbound turn lane into Swift-Cantrell Park and adding a southbound turn lane into Swift Cantrell Park. Phase II encompasses adding a turn signal at the intersection of Swift-Cantrell Park/Cathey Lane, widen Cathey Lane to Rutledge Road and construct a roundabout at the intersection of Cathey Land and Rutledge Road. Both Phases also include sidewalks.

Project Schedule: Phase I – complete; Phase II: Right of way acquisition is underway.

Design consultant: Moreland Altobelli Associates, Inc.

Project Budget: \$900,000  
150,000 Bond  
(502,148) Design, ROW Acquisition  
\$547,852 Balance

### ***Stanley Road and Collins Road Improvement***

Scope: Phase I: Widen Stanley and Collins Roads; add sidewalk along Collins Road and roundabout at the intersection of Stanley and Collins Road. Phase II: Widen and realign Stanley from Collins to RR Crossing (City/County Line).

Project Schedule: ROW acquisition underway.

Design consultant: Precision Engineering

Project Budget: \$2,178,573  
(637,874) Design; ROW Acquisition  
\$1,540,699 Balance

### ***Infrastructure Improvements***

Scope: Repairs will be done throughout the City during course of the SPLOST program.

Project Schedule: Ongoing Work; sidewalk projects, curb, gutter, stormwater:

Project Budget: \$2,015,598  
(270,727) Repair Projects  
(142,276) Sidewalk Projects  
\$1,602,595 Balance

CITY OF KENNESAW 2005-2011 SPLOST  
OVERSIGHT COMMITTEE REPORT  
***PARKS & RECREATION***

**COMPLETED PROJECTS**

***Skate Park Project***

- Scope: Regional concrete outdoor skating facility to include street skating and transition skating areas and multiple bowls.

***Swift Cantrell Park Improvements***

- Scope: Improvements including additional parking, landscaping, restroom and irrigation.

***Community Center Renovation***

- Scope: Renovate/refurbish existing classrooms, meeting rooms, dance rooms and added pottery class addition.

Project Budget: \$226,999  
(180,839) Renovation Projects  
\$46,160 Balance

CITY OF KENNESAW 2005-2011 SPLOST  
OVERSIGHT COMMITTEE REPORT  
***PARKS & RECREATION***

**ACTIVE PROJECTS**

***Depot Park Improvements***

Scope: Planned improvements include an amphitheater and large plaza which will be used to host public events.

Project Schedule: Awaiting Funding

Design consultant: None

Project Budget: \$2,100,000

***Smith Gilbert Gardens***

Scope: Construct a multiply purpose facility to host weddings, receptions, parties, meetings and other events.

Project Schedule: Preliminary design underway

Design consultant: Croy Engineering

Project Budget: \$1,800,000

(41,322) Smith Gilbert Master Plan

\$1,758,678
